## **How the Funeral is invoiced**

A deposit of £1,000, plus any options added is required four days prior to the funeral.

In cases of DWP fund application, or other non-guaranteed funds, e.g. crowd funding, we will additionally require a guarantor signature to pledge settlement should the non-guaranteed payment be declined.

In most cases where the full grant is awarded, the DWP payment will cover what is owed for the closed veneer coffin option, following payment of deposit. In most cases there remains £250 to £300 owing after award of grant for the open coffin option. (These are averages only and obviously each case depends upon individual circumstances).
